

## Custom Abutment 7 Year Warranty

This Warranty covers Mariner Dental Laboratory's ("Mariner") custom abutments that are sold by and under the Mariner name (the "Product"). The Warranty is exclusively for the benefit of eligible dental clinicians (individually, a "Clinician") and is not for the benefit of any other person or entity, including, but not limited to patients, laboratories, and supplies.

### Warranty Period

This Warranty is granted for a period of seven years from the invoice date of the Product.

### Warranty Scope

Subject to the eligibility requirements set forth below, if the Product, associated crown, or the associated implant fails during the Warranty Period, Mariner will reimburse the cost of the Product and implant providing there is proof of the invoice price.

### Eligibility

To be eligible for the Warranty, the following conditions must be met:

Provide notice to Mariner within 30 days after Product failure is discovered. The notice must include documentation demonstrating the facts and circumstances surrounding the failure of the Product.

Not have any outstanding balance owed to Mariner.

### Exclusions

This Warranty shall not apply if the Product fails due to the following:

Trauma, accident, or other damage inflicted by the patient or a third-party.

The Product was placed in a patient with accepted contraindicated conditions that would interfere with successful implant integration, including, but not limited to, disease related to alcoholism, uncontrolled diabetes, and habitual drug use.

Normal wear and tear.
